

October 2025

We are happy to announce that the defibrillator located at Kemble Village Hall has been replaced with a new one which includes adult and children's pads. There are directions on how to use it on the Village notice board outside the Village Hall.

Many of you are aware of the new solar farm coming to Kemble.

Aura power plan to be finished by the end of September 2025.

There will be Community Benefit Fund of up to £20,000 a year for 40 years or nearly £800,000 in total. The funds are designed to be used for local educational, social and environmental initiatives. If you would like to be involved with the division of the funds, please contact the Clerk.

Gigaclear has been an active present throughout the village for a few weeks now as they should bring fibre broadband to the village, they should be finished by the end of December 2025.

Dog owners.... please, please, please tidy up after you dog!

There have been reports of more and more mess left around the village. We know it is dark and often wet- please pick it up.

THERE ARE 16 DOG BINS ROUND THE PARISH. if you think more are required please contact the Clerk or come to the next meeting we will be happy to discuss this with you.

The next Parish council meeting is Tuesday 11<sup>th</sup> November at 7pm at Kemble Village Hall. You are welcome to attend.

Please contact the Clerk with any issues you wish to raise before the meeting so it can be included.
